Thought for the Week

“Be a strong women. So your daughter will have a role model and your son will know what to look for in a woman when he’s a man.”

~ In Honour of Woman’s Month

From the Headmaster

MR P VILJOEN

One of the aspects of working and living in Durban North I enjoy the most, is the incredible support that community events receive. Getting together, enjoying each other’s company and just generally having a good and relaxing time seems to be a favourite past time of many Durban North residents.

The above was clear for all who attended our first ever night market last week. The vendors, parents, boys and numerous visitors all had a wonderful time. Thank you so very much to all who supported the event and contributed to the success of the evening. It is greatly appreciated.

In terms of new events and traditions, tomorrow sees our first ever, Top 10 tea. The event will recognise not only those boys who performed exceptionally well in their respective grades, but also those boys who have, through hard work and dedication, shown significant improvement in their academic performance. We are extremely excited to honour our boys in this way and look forward with anticipation on how this event will impact on the boys’ level of motivation moving towards the end of the year.

I would also like to inform parents of the following important change in the protocol when it comes to the dealing with the non-submission of assignments and assessment projects. If a boy arrives at school without his completed assignment/project on the day of submission, those boys will be sent to either Mr Barry (FET) or MR Chetty (GET) who will immediately issue an academic detention for the following day.

During the academic detention the “culprit” will stay at school until the specific assignment/project is completed. In this way we will ensure that all our boys meet the necessary requirements in terms of their continued assessment requirements. Please note that this detention will supersede any sporting fixture or practice. I ask for your support in this regard.

Having celebrated our boys’ achievement on the soccer field and Math Olympiad last week, it is wonderful to report that five of our boys progressed to the final round of the Accounting Olympiad yesterday. Congratulations go to Adnan Bassa, Marco Mudaly, Caleb Chinnu, Ashiv Baijnath and Keshav Pillay on their fine achievement.

A huge congratulations also goes to our softball teams and coaches. Our first team defeated, defending league champions, Westville, our seconds defeated Port Natal and our u16A’s smashed Glenwood. Great work all round!

May all of our parents and boys have a blessed weekend. Thank you for making Northwood such a special place.

From the Head of Extramurals

Mr G. Le Roux gleroux@nwood.co.za
Deputy Headmaster – Extramurals

Congratulations to Cameron Souchon who was recently selected to represent South Africa in Touch Rugby. Cameron will play at the u18 Touch Rugby World Cup in Malaysia.

We would also like to congratulate Jake Goder for his selection to the eThekweni Body Boarding Team who will take part in the South African Body Boarding Championship in Cape Town in October. This is the fourth consecutive year that Jake has been selected for this team. Well done Jake.

Taine Bird ended an exceptional season of hockey with a fantastic win in the final of the African Youth games in Algeria. Taine and his team received gold after beating Zambia 2-0 on shoot outs in the final.

Good luck to all our boys involved in fixtures this weekend.

Please note that no parents are allowed to drive into the school at the lower campus gate to collect their son's between 07:00-16:30. Parents are to drop/collect from outside of the school gate during these times. Please could this be adhered to as we are having major congestion issues in that area.

A reminder to find all extra mural details with regards to fixtures, notices, practice times and transport arrangements at www.northwoodschoolorsport.com.
